

Etowah Utilities is accepting resumes & applications for a full-time

Journey Line worker

Etowah Utilities is seeking an experienced, motivated individual to fill the position of Journey Line worker within our Electric Department. The ideal candidate will be responsible for assisting in the construction, maintenance and operation of EUB overhead and underground distribution electrical lines. Knowledge of city, state, and federal rules, regulations and laws regulating the electrical distribution system is a must. Knowledge of a 4 KV and 13 KV electrical systems is highly desired. Must possess a valid TN CDL Driver's license, Class A preferred. Experience with or knowledge of broad band fiber is a plus.

The successful applicant will be subject to random drug testing and yearly performance reviews. EU offers a competitive salary and full benefit package.

Interested applicants, please submit a resume and an EU application; include a summary of education, work experience and accomplishments relevant to the position and proof of completion of an accredited lineman apprenticeship. Submissions can be made online at www.etowahutilities.com or mailed to:

Etowah Utilities
Attn: Human Resources
P.O. Box 927
Etowah, TN 37331

Position will remain posted until filled.

**A full job description is available by contacting Human Resources.*

Etowah Utilities is an Equal Opportunity Employer.

Etowah Utilities is a Drug-Free Workplace and subject to random drug testing.
